Screening of Applicants and Learners who are Ex-Offenders Policy

Scope and Purpose of Policy

This policy is underpinned by the Group's vision – Inspirational, Inclusive and Influential and will support our work towards the key drivers of Quality, Efficiency and Growth.

At CAVC, we recognise the profound impact of trauma and adverse childhood experiences (ACEs) on individuals' well-being and development. We are committed to adopting a trauma-informed approach in our policies and practices to create a safe and supportive environment for all.

Applicants with unspent criminal convictions are given every opportunity to take an appropriate course at Cardiff and Vale College providing the College can maintain its duty to provide a safe and secure environment for its learners, staff and visitors. Disclosure of unspent convictions is a condition of enrolment and re-enrolment, and learners will be required to disclose unspent convictions on an ongoing basis.

This policy applies to all full-time and part-time applicants who have unspent criminal convictions as defined by the Rehabilitation of Offenders Act (1974) and the 2023 amendments via the Police, Crime, Sentencing and Courts Act 2022. This policy applies to these learners applying to or enrolling on learning programmes regardless of mode or location of study and all staff within the college. **Some professions are exempt from this Act and as a result spent and unspent convictions may impact on an individual's ability to enrol on certain courses.** The Policy applies to all applicants to the College, although the extent to which all aspects of the Admissions Policy that may be applied will depend on individual course requirements.

The College adheres to the policies of all partners and franchise organisations where they are the lead recruiter. If a partner does not have a policy, then they will be required to follow this one.
