

Careers Information Advice & Guidance Policy.

Scope and Purpose of Policy

The purpose of this policy is to provide a comprehensive impartial information and guidance service which maximises opportunities for learners to gain the knowledge, skills and attitudes they need to make informed decisions about managing their own lifelong learning and career development at all stages of transition. Learners will be encouraged to maximise their potential for progression to higher level courses, further study or progressions to higher education and / or employment as appropriate to each individual.

This policy applies to all students regardless of mode or location of study.
This policy applies to all staff who have a curriculum related role within the college.

Policy Statements

The college will maintain and further develop its partnership and relationships with Careers Wales. Formal arrangement of services will be documented in annually negotiated partnership agreements by the Head of Learner Services.

The College's formal Careers and Related Work Experience programme is aimed at meeting National Standards and providing an awareness and knowledge of the local, national and international opportunities available. It aims to assist learners to career and employment choices.

Principles

This policy is underpinned by several key principles:

- The Gatsby principles are inherent in the service provided by careers advice guidance, world of work and related work experience and incorporate the eight benchmarks of best practice.
- Whilst at the college our learners will develop the transferable **skills** they need to enable them to progress into employment or further learning.
- Our learners must be supported to achieve their potential while at the College, in an environment where their **wellbeing** is fulfilled so they feel good about themselves and respect others.
- A commitment to restorative approaches to ensure that we repair harm and build relationships.
